

# Where Do We Go From Here?

## Antiracism, Equity and Inclusion and SHA

It has been a little over a year since global protests erupted, spurring critical civil and human rights movements. The initial wave has softened. Where does that leave us and how do we move forward, as individuals and as a profession? Together, we will continue moving toward building and strengthening an inclusive, equitable, and diverse organization.

The Gender and Minority Affairs committee is sponsoring a follow-up to last year's SHA Actions Over Statements/ Antiracism, Equity, and Inclusion Workshop on Thursday, October 14th, from 1:00 pm to 5:00 pm EDT. We are welcoming back Dr. Jennifer Stollman, of J.A. Stollman Consulting to aid us in our efforts.. In this interactive session, participants will review and explore new insights related to:

- Recent updates on equity and inclusion discussions and debates and their impacts on SHA
- Identifying, developing, and promoting approaches to antiracism, inclusion, diversity, belonging, and mattering within the SHA and how they are crucial to our future
- Facilitating conversations and navigating disagreement and conflict around antiracism, equity, and inclusion
- Embedding anti-racist and anti-biased actions into professional organizations and our work and learning spaces
- Strategies for identifying and overcoming equity and inclusion fatigue and resistance
