

WKS-6 Submerged Cultural Resources Awareness Workshop

Instructors: Amanda Evans, Gray & Pape, and Garry Momber, Maritime Archaeology Trust

Half-Day workshop: 1:00 p.m. – 5:00 p.m.

Maximum Enrollment: 25

Cost: \$40 for SHA members, \$50 for non-members, \$25 for SHA student members, \$35 for student non-members

Cultural resource managers, land managers, and archaeologists are often tasked with managing, interpreting, and reviewing archaeological assessments for submerged cultural resources. This workshop is designed to introduce non-specialists to issues specific to underwater archaeology. Participants will learn about different types of underwater cultural heritage (UCH) and some of the methods employed to help protect those sites. This workshop is not intended to teach participants how to do underwater archaeology, but instead will briefly introduce different investigative techniques and international best practices. The purpose of this seminar is to assist non-specialists in recognizing the potential for UCH resources in their areas of impact.
